

*Our Family has purchased our wonderful home, in Oregon. The circumstances that led to our purchase, were unusual. We were 'House Hunting ' from another state !*

*Many searches had been conducted for Oregon Realtors. After having corresponded with 6, lackluster, Agents and Brokers, a continued search led us to Max Sinclair and his website.*

*Our experiences, thus far, had been mediocre and unproductive, at best. We had corresponded with several agents and brokers who were less than enthusiastic.*

*Not one individual was willing to ' Go the Extra Mile'. This endeavor would require energy and much needed, dedication.*

*From the moment we viewed Max's informative and exciting video, on his website.. our enthusiasm was renewed.. We had found a Real Estate Broker who was genuine and sincerely caring.*

*We had no idea, where we would begin... Max knew exactly where to begin .. With an incredible caliber of knowledge and such sincere consideration ..He, immediately, began the search..*

*We were greatly relieved and very excited. Every morning, Max emailed an amazing amount of homes that had been listed, for sale.*

*Before we found our home, Max had emailed 265 houses, for us to View !*

*Each house had pictures, specifications and descriptions .. It was as though we were there.. Looking at each house .. In Reality !*

*Max kept in close contact. He called and emailed.. to let us know, he was with us ..*

*His impeccable guidance, during the process of our purchase, was second to none.*

*Never, for one moment, did we feel alone or confused. It was though his office was in our town ! We were secure and confident.*

*How very remarkable....*

*One day .. Just as Max had told us.. there it was ..our HOME !*

*There are few times, in this life, when you will meet an individual of such honor and integrity.*

*If ever, again, we are in need of Real Estate services.. there is no other Broker, we would consider ..*

*Max is the only Broker, to whom we would entrust our dear friends and family members, should they be in need of Real Estate services.*

*He considers his career to be that of placing individuals in the best choice of a home...above all, one that will be enjoyed and treasured, for many years to come.*

*We will forever be grateful for Max... For caring enough, to find our very wonderful home.*

*He calls himself 'The Rock Star of Realty '.. He does rock.. And he, most certainly, is a Star.. That's Max !*

*With Much Sincerity and Appreciation,*
